

Eligibility Guidelines for the New Jersey SHARES Energy Assistance Grant

About the Program

NJ SHARES provides energy (gas and electric) assistance grants to moderate and fixed-income households experiencing a temporary financial crisis. Eligibility is based on household size and income. Households who have income at or below 400% of the Federal Poverty Level (FPL) guidelines can receive up to \$700 per utility per calendar year. Grants will be used for energy consumption only – not for deposits, reconnection fees, repairs, etc. Grants must result in continuance and/or restoration of service. All grant payments are issued directly to the utility company on the customer's behalf and no customer will receive a credit balance.
